THAT'S
WHAT I
SAID...

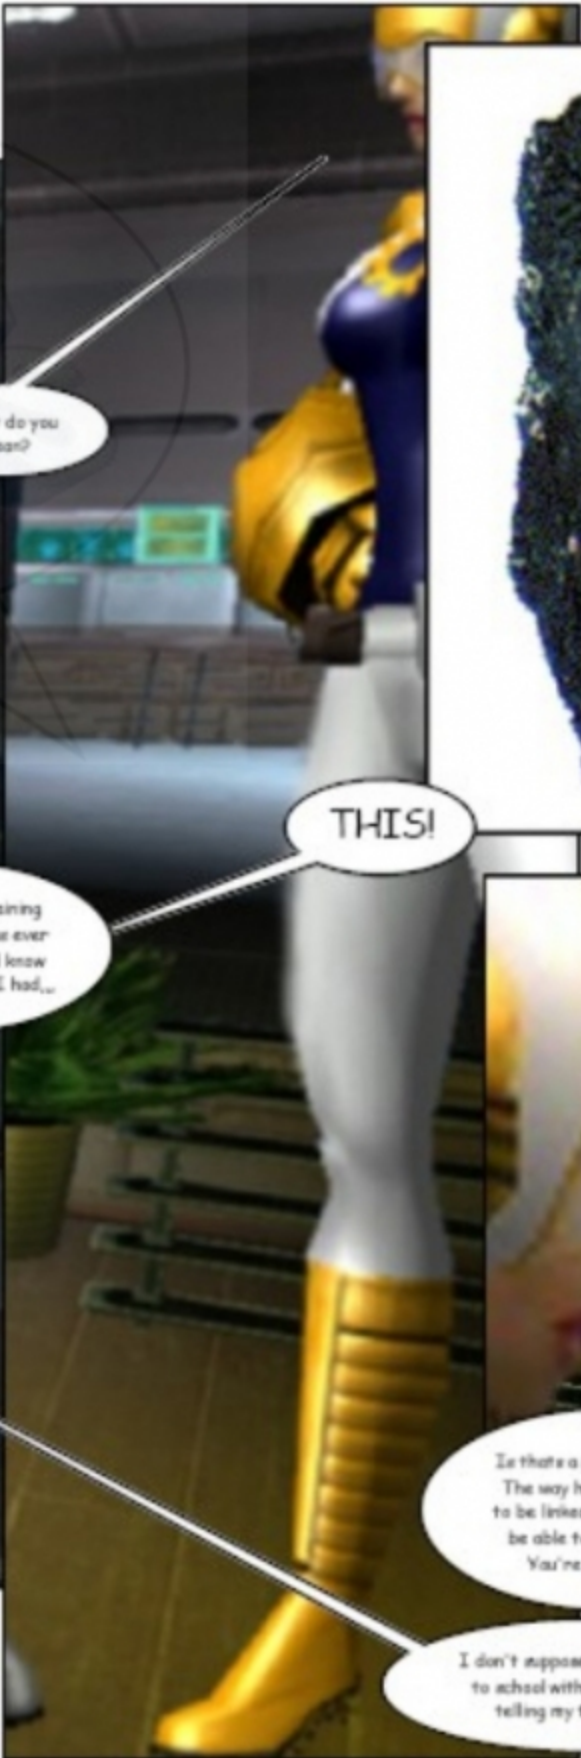

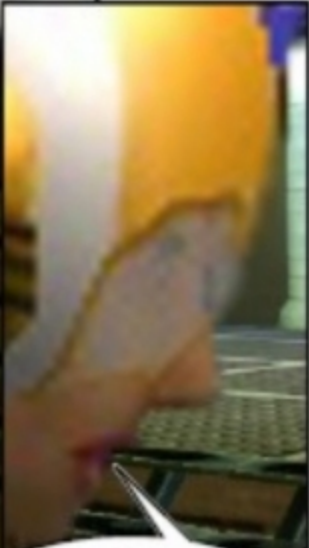

I think I can help Ra...

What do you mean?

Ra took me on a training run. He said if I was ever in trouble, he would know and come as long as I had...

THIS!

Is that a piece of Ra? Wow! The way he reforms... it has to be linked to him. Image will be able to trace with this. You're brilliant Zavi!

I don't suppose you'd mind going to school with me Monday and telling my teacher that?

LATER AT PORTAL CORPORATION'S
GATE COMPLEX...

You were correct Dodge Girl. It is a
multi-dimensional entity. I have calculated
the correct wave length profile from the
sample.

Great! Looks like
its game on guys.

Preparing switchgear
and connecting ports.

Ok guys, we can keep it
stable for awhile, but please
hurry. We've put out a call
for those searching to get
back here, but the sooner
we get in, the better.

HURRY SHE SAYS. IT'S
ONLY AN ENTIRE
DIMENSION TO EXPLORE...

Arizona.

How I ever
mentioned...

MEANWHILE, SEVERAL MILES OFF SHORE...

HAILEY FROST CLICKS OFF HER COMMUNICATOR.

WELCOME
ILSA...

WE TOOK YOU OFF
THE STREETS OF
BERLIN. YOU

No more than you are
