## NEVERMORE...

Ra, that's a Rikti war ship, this is now a military operation and I'm in command.

We do not belong here General. This world must find its own way. We must depart.

I WITNESSED YOUR EXECUTION FOLLOWING YOUR WAR CRIMES CONVICTION!

HOW CAN YOU BE ALIVE?!

War crimes?! You crazy lying Nazi bastard...

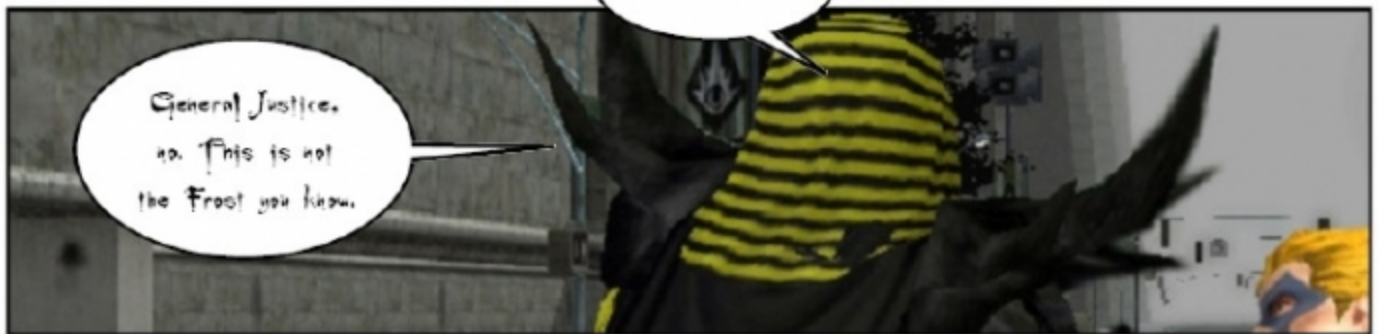

MURDEROUS MADMAN!

Cease Frost. You do not understand.

Re is RA!

General Justice. No. This is not the Frost you know.

The mortals do not  
comprehend the severity  
of this intrusion.

Their understanding  
is limited. Will  
the mortals of this  
place survive?

Perhaps. It has yet to  
be done, but father,  
brother, son, must depart.

Indeed. All shall  
be as it was.

RA WATCHES THEM  
DEPART WHILE  
CONTEMPLATING  
THE FATE OF HIS  
UNIVERSE...

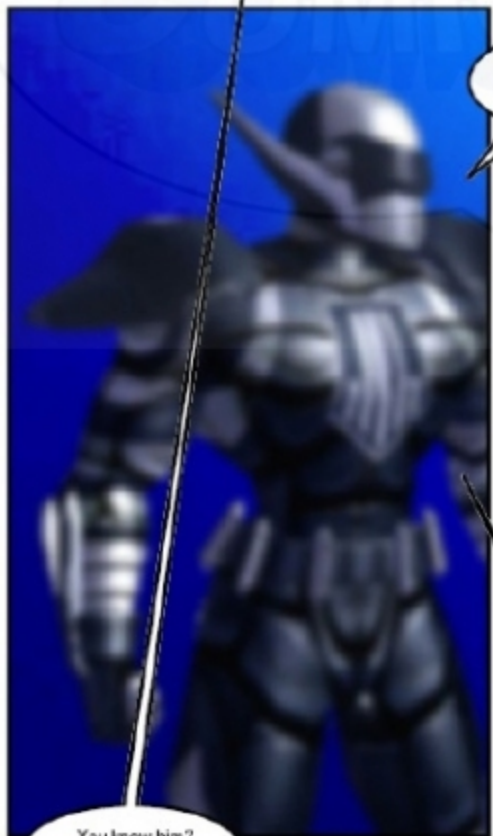

It is doubtful  
father, brother, son.

Comlink open, Wyldstar, this  
is Gadget Girl. They're back...  
and they have Pal!

Roger that GG. Tell them good work. Wyldstar out...

Axis? Have you located that ship?

YES WYLDSTAR, AND I HAVE EXAMINED IT.

So what's the story?

IT APPEARS TO HAVE BEEN AN AUTOMATED DRONE. NO SIGN OF CREW. HOWEVER THERE IS ONE CASUALTY.

Can you retrieve the remains for identification. I'm sure the man's family would appreciate it.

NEGATIVE. THE STRUCTURE WOULD COLLAPSE. HOWEVER POSITIVE IDENTIFICATION HAS ALREADY BEEN ESTABLISHED.

You know him? Who is he?

SHE WYLDSTAR. HAIUSY FROST IS DEAD!

WHAT? Axis, gather what evidence you have and get here for analysis as soon as possible.

UNDERSTOOD ASSISTANT OUT.

First the massacre in Bloody Bay, now this... what the hell is going ON?!

Computer, list records for 'Hailey Frost'. Scan FBSA, NSA and Interpol database.

Commanded by Erich Frost? Looks like she was one of the few people still alive that could put him away as a war criminal.
